Outline

- Three critical virtues for leaders
- Three courageous women
- Three kinds of courage
- Reasons to have courage
- Worthy to suffer

1. In which contexts or with whom do you experience apprehension when discussing your faith?
2. Take a moment for self-reflection and answer honestly: What are your specific fears?
3. In practical terms, how do you envision that the courage to share your faith can positively impact your life and the lives of those around you?
4. "You were born for a time such as this." What action — whether minor or significant — are you ready to embark upon from this day forward to openly profess your faith in Jesus?

TAKING ACTION

*How does your faith
inform how you lead?
What invitation to be
courageous are you
experiencing at this time?*
